CEO STATEMENT

"Together We Can Accomplish Great Things." Organizations are not all about the leader. The leader is one component of the organization, but the organization will only become what the people in the organization decide that it will become. The CEO needs to inspire their people to work together in unity and synergy. This only happens when the people of an organization hear the leader of the organization say what can happen when they all work together.

ASHIQ HUSSAIN

CEO of the company

0333-4220963 | ashiq@textronics.pk

“

AS CEO OF THE COMPANY, I HAVE SEEN US PROGRESS FROM A SMALL CONTRACTOR TO A LARGE REPUTABLE ENGINEERING FIRM. THE REASON FOR THIS PROGRESSION LIES NOT ONLY IN HARD WORK AND PERSEVERANCE, BUT OUR COMMITMENT TO SATISFY OUR CUSTOMERS AND CLIENTS IN THE BEST WAY POSSIBLE. ETHICS, PROFESSIONALISM, COMMITMENT AND QUALITY ARE THE FOUR PILLARS UPON WHICH OUR COMPANY STANDS.

VISION & MISSION

Our aim is to deliver exceptional project management and engineering services ensuring high value for our clients by implementing global best-in-class customized project and engineering management services and tools by a team of highly skilled professionals

VISION

*In order to remain competitive in the management at **TEXTRONICS ENGINEERING** continuously re-evaluates its business strategies. In this uncertain environment the company seeks better ways to secure its clients from loss of price and quality of product and services and assured the client for these facilities. Today the management believes that the future lies in exploring the possibilities of alternative.*

MISSION

*At **TEXTRONICS ENGINEERING** we aim to serve our customers by providing better quality products and services by making our company effective and efficient in every project. We are committed to provide our employees with better opportunities for personal and professional growth that they can find nowhere else.*

OUR TEAM PROJECTS

We undertake electrification works comprising of installation ,Industrial maintenance services & commissioning of internal lighting system, D.B, floor panels, power cables, PFI plants, LT switch board, HT switchboard, Boiler Control Panel, Transformers, Generators, inverter, external electrical works Earthing sets, lightening protection, fire & security alarm systems, Telephone & computer networking for

NEELUM JHELUM

NEELUM JEHLUM HYDRO POWER PROJECT

- Supply and Installation of Street Light Poles
- Wiring for Street Lights
- Supply , erection and construction of Street Light poles Foundation
- Supply Installation and Commissioning of CCTV Cameras Complete System in Switch Yard and Power House

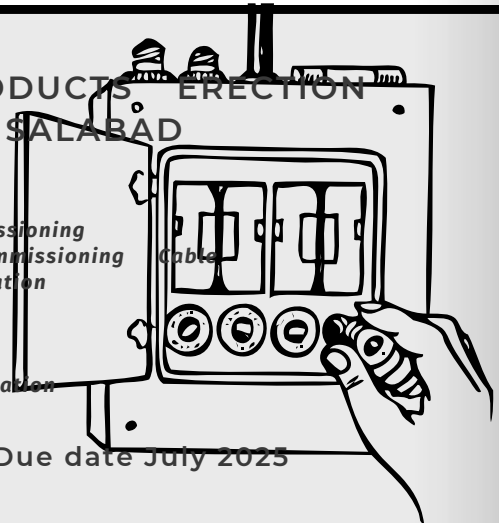

Project Start May 2022, Due date July 2025
